#### AA CONVENTIONS/CONFERENCES WHY DO I HAVE TO PAY?

Conferences and conventions are not AA meetings. They are Special Events—an opportunity to share the AA experience in a broader way.

They require months of preparation and money. Special Events are often held in hotels and convention centers. There are charges for use of the facility, coffee, etc. Other expenses include travel and lodging for speakers, as well as printing of flyers, schedules, postage and supplies.

The cost of these Special Events are paid for through a nominal registration fee. Attendance is voluntary. As responsible AA members, we "Pay our own way."
